

## Online Publications?

By *Lisa*

Created 11/26/2007 - 16:35

Hi Everyone,

Apologies in advance if this has been posted elsewhere-- I've looked and am hoping I'm in the right place for this! I'm looking for information on any online journals devoted specifically to learning development in higher education-- something specifically targeting LA professionals.

Has anyone seen anything like this?

Cheers,

Lisa
